COLLABORATE ON STROKE CARE. BECOME A STROKE CONGRESS SPONSOR.

The 7th annual Canadian Stroke Congress, a joint initiative of the Heart and Stroke Foundation of Canada and the Canadian Stroke Consortium, is the country's premier summit for researchers, clinicians and policymakers working in the field of stroke. The goal of Canadian Stroke Congress is to increase capacity for stroke care in Canada and to encourage collaboration on ideas for stroke treatment, prevention and recovery, which directly align with the Heart and Stroke Foundation's two bold impact goals:

IMPACT GOALS

- Decrease the risk factors for heart disease and stroke by 10% by 2020
- Reduce Canadians' rate of death from heart disease and stroke by 25% by 2020
